E. Wayne Daniels

## TOWN MEETING WARRANT

To the inhabitants of the Town of Bath qualified to vote in Town affairs. You are notified to meet at the Town Hall in Bath on Tuesday, March 2 at ten o'clock in the forenoon to act upon the following subjects:

ARTICLE 1. To choose a Town Clerk, one Selectman for three years, two Library Trustees for three years, a Treasurer, an Auditor, one Trustee of Trust Funds for three years and all other necessary officers for the ensuing year.

ARTICLE 2. To hear the reports of officers and agents heretofore chosen and to pass any vote relating thereto.

ARTICLE 3. To see how much money the Town will vote to raise and appropriate for Town Officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of the poor, Town Library, for Old Age Assistance, for the Protection of the Public and all other necessary Town charges and expenses for the ensuing year.

ARTICLE 4. To see if the Town will vote to accept State Aid for the construction of Class V roads and to raise and appropriate or set aside the sum of \$894.45 and the State to contribute \$5,963.02 for the same.

ARTICLE 5. To see what action the Town will take on the following question: Shall the provision of the Laws relative to the playing games of Beano be adopted in this Town?

ARTICLE 6. To see if the Town will vote to petition the Tax Commission to have an audit made by the Municipal Accounting Division, and to make an appropriation to cover the expense of such audit.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by Tax Collector's Deed.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$734.42 as the Town share of support to the White Mountain Region Association.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$755.00 as the Town share of support to White Mountain Community Service.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$1300.00 to support the Cottage Hospital.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$250.00 to support the Littleton Hospital.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$460.00 as the Towns share of support for North Country Council.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purchase of a new truck for the Highway Dept.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for painting the Town Building.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$500.00 to pay Bath Volunteer Firemen for fighting fires when they must lose time from their regular jobs. Payments to be made only to those who remain at the fire as requested by the Fire Chief. Any unused portion of this fund will be placed in a special account for use on the following year.

ARTICLE 17. To see if the Town will authorize the Selectmen to use Revenue Sharing Funds for needed repairs on the Town water lines.

ARTICLE 18. To see if the Town wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for each service is less than \$50.00.

ARTICLE 19. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the report for, design of, and construction of a sewage disposal system, and to authorize as outlined in N.H. R.S.A. 33:7-b et seq., as amended, and pass any vote relating thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of \$15,000 for the purpose of preparing a facilities plan on sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. § 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or notes not to exceed \$15,000.00 under and in compliance with the provisions of the Municipal Finance Act (NH R.S.A. 33.1 et seq., as amended) and

to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Bath, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. § 1251 et seq.) and pass any vote relating thereto.

ARTICLE 21. To see if the Town will authorize the Selectmen to expend Revenue Sharing Funds on preceding articles approved in this warrant by vote of the Town.

ARTICLE 22. To see if the Town will vote to have the Town reassessed by the State Tax Commission or a private Assessing Firm and to raise and appropriate the sums necessary for said re-evaluation.

ARTICLE 23. To transact any other business that may legally come before this meeting.

DENNIS E. CHASE

ERVIN D. DODGE

BERNARD A. TEWKSBURY

## SELECTMEN'S COMMENTS

During the summer of 1975 work was finally completed on Hills Flat, repairing damage left by the high water of Dec. 1973. Upon completion of this work Raymond Hill returned to the Town a five hundred dollar (\$500.00) check which was paid to him as rent for a temporary road over his land. We wish to thank Raymond and express appreciation on behalf of the Town.

After Town Meeting last year, a Sewage Committee was appointed by the Board of Selectmen, they are Ernest Roy, Chairman; E. Wayne Daniels and Philip Martin. The Committee set up several meetings to make plans and interview engineering firms, plus seeking information from State Agencies.

Upon recommendation of the Committee, the Engineering firm of Dufresne-Henry was appointed by the Board of Selectmen to negotiate an engineering service contract with the N.H. Water Supply and Pollution Commission. This was accomplished through authority given the Board of Selectmen by a yes vote on Article 17 of the 1975 Town Meeting Warrant.

During the summer it was brought to our attention that we must apply to the E.P.A. for a discharge pollutant permit. This was done and the U.S. Environmental Protection Agency issued a permit to the Town of Bath, which allows the discharge of untreated waste water into the Ammonoosuc River until June 1, 1977. This permit states that the Town initiate a facilities plan by June 1, 1976 and have the planning process completed by June 1, 1977.

Work on solid waste disposal in the area has seemed to come to a virtual standstill. It still looms before us as a problem that must be solved in the near future. With the help of the North Country Council and new legislation in Concord, we have applied for an extension of time, which would give the Town until July 1, 1977 if approved.

Our Town was approved for Federal Flood Insurance due to some hard work by our Planning Board, thus making property in our flood plains retain its market value and allow owners the privilege of obtaining Mortgages if they so desired.

We would like to express our appreciation to Twin State Mutual Fire Association for its assistance at three fires in Bath in 1975 and their assistance during our power outage in 1976.

We would also like to thank the citizens of Bath for their fine cooperation during our recent loss of electrical power. Your patience and willingness to help certainly made our job much easier.

We hope that the remainder of 1976 will be peaceful, happy Bicentennial year for everyone.

### Bookmobile

Volumes loaned 2,022

We started off the new year with a celebration of library week. Movies were shown, tours of the library were conducted and a story hour was held for all the Bath School children.

During the year I attended a library workshop where new techniques were discussed. The librarians from the area attended. Problems were brought out, such as the seriousness of unreturned books.

This summer we had a successful rummage sale with the help of Leona Johnson and the Woman's fellowship. Once again we had our summer story hour led by Mary Lamarre.

Discarding of the old books to make room for the new continued. Phoebe Carr ran the book sales with the books we discarded and some of the donated ones we were unable to use.

I would like to thank the people who donated books as well as the townspeople for their continuing support. We have a suggestion box now located in the library and any new ideas for books or methods are much welcomed.

Sincerely,

SUSAN PICKNELL

Librarian

## REPORT OF FIRE DEPARTMENT—1975

### Fires Reported

Jan. 14—Dean Stevens (Benton)—Chimney fire  
Mar. 5—Kim-Wil Farm—House fire  
Apr. 13—Ronald Gibbons—Chimney fire  
Apr. 27—Robert Stewart—Chimney plugged  
Apr. 30—Town Dump—Grass fire  
May 10—Town Dump—Grass fire  
June 29—Clarence Brockett—House fire  
Sept. 2—Brewster's—False Alarm  
Oct. 10—Bert Caswell—Chimney fire  
Oct. 11—Robert Stewart—Chimney fire  
Dec. 17—Diamond Woodworking—Mill fire  
Dec. 19—George Woods—House fire

We have added a 1000 gal. fol-da-tank, two Scott Air packs, a walkie talkie and a mobile radio to our fire fighting equipment. These purchases have all proved their worth during our recent fires.

The radio and walkie talkie are on the Twin State Fire Ban 154.40 and enable us to communicate with other units of the Twin State Mutual Aid Fire Association. This system proved very useful during the Mill fire as did our thousand gallon fol-da-tank.

Our Scott Air Packs were very useful at the Woods' fire where they allowed our firemen to attack the fire on the inside of the building and this proved instrumental in the extinguishment of a stubborn blaze and the saving of a building.

As we have in the past, we try to take advantage of all educational opportunities. In May, ten firemen attended school two evenings, receiving instructions in the use of the Scott Air Packs. Several of our firemen attended a Fire School in Monroe and later tank truck training in Sugar Hill. We also had four firemen attend the Twin State School in Bradford where training in the use of Scott Air Packs was received, plus instruction in Propane gas and inflammable Liquid Fire Fighting.

In July, we had our Segraves Pumper tested by the Board of Underwriters to see if the Town could get lower insurance rates. Although the truck was tested for over half a day and pumped within five gallons of required capacity, it was not approved because of its age and it is not owned by the Town, but by the N.H. Forestry Dept.

Our officers for the 1976 Fire year will be: Chief—Dennis Chase; Asst. Chief—Robert Stewart; Lieutenants—Raymond Poor, Robert Tyler; Secretary — Randall Burt and Treasurer—Bernard Tewksbury.

We wish to thank everyone for their support during 1975 and wish everyone a safe, happy fireless year in 1976.

## REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

\* The Savings Account is a sum set aside from each month's gross income specifically designated as depreciation funding to replace major equipment units as they shall become unserviceable.

There were 421 ambulance calls made from June 1, 1974 through May 31, 1975. There were 64 cases taken as bad debts for the year, totaling \$2,353.50.

Following is a break-down of towns where calls were made: Haverhill 104, Newbury 41, Groton 18, Bath 21, Ryegate 23, Benton 2, Monroe 6, Bradford 14, Warren 5, Wentworth 5, Lisbon 9, Piermont 7, Pike 14, Landaff 2, Barnet 8, Glencliff 6, Glencliff (NH Home) 7, Peacham 1, Ely 1, Corinth 1, McIndoes 3, Transfers 123.

The directors are pleased to announce another reduction in the basic charge to \$25.00 for the first 35 patient miles. This is in line with our commitment to provide the service with the least possible cost to the user.

**NORTH COUNTRY HOME HEALTH  
AGENCY, INC.**

60 High St.

Littleton, N. H.

1975 Report

**Total of Services rendered to area towns:**

5088 Skilled Nursing Visits to homes for purposes of: care of the chronically ill; short term care following hospitalization; short term acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; prevention, intervention and control of diseases.

4214 hours of Homemaker/Home Health Aide services: keeping patient as independent as possible; maintenance of patient in his own environment as long as he is able to be there; accomplished through assistance with personal care; ancillary nursing procedures; assistance with meal preparation and light housekeeping.

4 Physical Therapy visits by a registered Physical Therapist.

15 immunization clinics for pre-school children.

3 Adult Health Screening clinics for adults over 30 years of age. Follow-ups are done by our nurses.

5 Dental Screening clinics for pre-school children. Follow-ups and referrals done by this office.

6 Well-child clinics providing physical exams for pre-school children of low income families. Follow-ups and referrals made by this office.

3 orthopedic clinics held at Littleton Hospital for all area residents.

1 Expectant Parents course.

1 Diabetic teaching course.

**Aims for 1976:** 4 orthopedic clinics to be held at Littleton Hospital; increase in Expectant Parents courses; continuation of present clinic schedules with expansion of Well-child clinics.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of Home Care Services.

The Board of Directors of this non-profit agency is composed of volunteer members representing the towns served. New Board Members are elected at the Annual Meeting in January. All monies received are returned in direct services to the residents of the 17 towns.

#### **Services Rendered to residents of Bath**

183 skilled nursing care visits

2 physical therapy visits

176½ hours of Homemaker/Home Health Aide Service  
Residents of Bath may attend all clinics as listed in any location

**TOWN OF BATH, N. H.****Report from the North Country Council**

Assistance to the town in solid waste planning, flood insurance, general planning information to the planning board and information on highway traffic counts are the local services the North Country Council provided to the town of Bath in 1975.

On the regional level, the North Country Council prepared a public transportation plan and is working toward the implementation of its recommendations. The Council became the economic development district for northern New Hampshire on July, 1975, and is currently carrying out this function. Several region-wide meetings on Water Supply and Pollution Control Commission regulations, economic development, seminars for planning board members, and recycling of newsprint were sponsored. A recently completed report entitled "The Regulation of Mobile Homes in the Community," prepared by the Council, provides technical information to planning board members and local officials in the area of mobile homes.

In 1975, the Council increased its base of local support from 19 to 29 towns. The Council coordinates its activities with other agencies in order to avoid any possible duplication of effort.

"Planning News," the Council's bi-monthly newsletter, disseminates useful information on land use, state legislation, court decisions and general activities to interested persons in town. A town resident can be placed on the mailing list by contacting the town's NCC representative or the Council office in Franconia, N.H. (Tel. 823-8108).

In performing its duties, the Council attends approximately 200 night meetings a year.

For the future, continued activity in community planning assistance will be emphasized along with major regional efforts in economic development, land use and housing. Dissemination of planning information will be continued. The Council is working closely with the N.H. Public Utilities Commission in the improvement and upgrading of the North Country's rail lines, especially the Lincoln line and the North Stratford to Beecher Falls line.

The Council sincerely appreciates and thanks the town for its support and participation. This support has enabled the Council to provide a good deal of local and regional services.

Respectfully submitted,

RAYMOND BURTON

EDWIN CHAMBERLIN

NCC Representatives

## SUMMARY PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION 1975 (38th Year)

On November 21, 1974, the directors of your White Mountains Region Association voted to change its fiscal year from Sept. 1 - Aug. 31 to July 1 - June 30 in order to conform to the State's fiscal year. Due to this change the summary will cover activities for a ten month period (Sept. 1, 1974 to June 30, 1975), instead of the usual twelve month period. Please note that under new guidelines, the State will help fund your Region Association by matching the amount of monies raised by the communities.

Your Association sponsored a very successful and meaningful marketing seminar for the vacation/recreation industry of northern New Hampshire. The two-day seminar addressed such topics as "What is Marketing," "Marketing Analysis," "Development of a Marketing Program," "Advertising Decisions," "Appearance of Establishment," "Brochure Design" and "Packaging Vacation Facilities."

The Region has a new magazine, **Outlook**, published by your Association. The magazine, which is distributed free to all WMRA members, selectmen, schools, libraries and businessmen in the region, is designed to serve as an in-house chamber of commerce type publication for northern New Hampshire.

Regarding transportation matters, your Association became a participating agency in the experimental air/land demonstration for the region. The project, funded by a grant from the N.E. Regional Commission and sponsored by the N.H. Office of Comprehensive Planning, includes daily round trip flights between the Whitefield Regional Airport and the Lebanon Airport, with connecting flights to Boston and New York. In addition, a bus/taxi system operates between Berlin and Whitefield. The Association entered into a \$10,000 contract with the N.H. Office of Comprehensive Planning in an effort to increase passenger usage through promotion and advertising of both air and ground systems.

In other activities, the Association continues to publish the N.H. **Accommodations and Dining Directory**, the **Where-to-Stay** folder, and the **White Mts. Map**, the **Fall Foliage Shunpike** folder, and the **Canoeing and Kayaking** folder, as well as publishing the weekly bulletin of lodging inquiries. It also distributes other state and local brochures in an effort to bolster the north country's economy.

Your Association's executive director again attended the Springfield Exposition in an effort to boost the four-season vacation travel trade in the region. While there, he spoke on Hartford (Conn.) radio about the region and what it has to offer. In addition, he also attended the Boston Sportsman's Show in an effort to attract visitors to our region.

The Region Association is participating in 4-H programs in Coos, Carroll and Grafton Counties under somewhat different guidelines. As a result of a meeting between the Association and the three 4-H agents, it was decided to divide up the approximately \$600 among the three counties, with each county to spend its proportionate share as it sees fit. The only requirement is that each county must give the Association an accounting of how those funds were spent.

In late May-early June, your executive director spent several days distributing bulk orders of WMRA promotional brochures to the numerous chamber of commerce information booths in the region as well as several State Highway rest areas. In addition, with the very able assistance of Mrs. Simonds, numerous bulk orders of brochures were sent to travel clubs, Automobile Associations, and Travel Agencies throughout the country and Canada.

With respect to the N.H. Council of Region Associations, of which your executive director is secretary, it was disclosed at a meeting during the year that the State, beginning in the second year of the biennium, will fund each Association on the basis of the "local share." Specifically, the amount of State funds received will be determined by the amount and number of communities which appropriate. Under this system, it would appear this region would gain financially, but only if the north country communities continue to support its Association.

Your executive director was privileged to participate on an ad hoc committee set up to design and publish a brochure, *Tourism/ Recreation Equals Jobs and Taxes*. An informational brochure of this type, which spells out the significance of this industry to the region and to the State, has been sorely needed.

Other activities of your executive director and the Association during this ten-month period include: Appropriated funds to assist in the publication of a *Christmas Tree Vendor's List* in an effort to assist the 1.7 million dollar industry in the northern three counties, attended numerous executive committees and full board meetings of the White Mountains Center for Music and the Arts for which your executive director serves as secretary. (Parenthetically, the Association distributes Festival folders around the region and through the mails in answer to numerous written inquiries), attended several meetings with personnel from VTN, the organization which has undertaken the Franconia Notch environmental impact project for the State; attended numerous budget hearings, met with many selectmen in the region to better acquaint them with the activities of this Association, spoke

on radio regarding WMRA activities as well as to civic groups in the region, appropriated \$100 as a WMRA contribution to the restoration of Bedell Bridge and, in addition, \$25 to the White Mt. Museum of Forest History; set up a news conference for the White Mts. Center for Music and the Arts, attended a press conference at Storyland and at Cranmore (site of the Volvo Tennis Tournament), attended the Colebrook town meeting and spoke on behalf of the Association and its programs, participated in a Career Night at Gorham High School, assisted the State on a Fourth of July article of events in the region, participated in the seminars sponsored by the North Country Council regarding a long range bus transportation study for the region, and spoke at the annual meeting of the N.H. Industrial Agents Association in Conway. The Association answered 3,676 single inquiries, wrote 195 personal letters, sent 44 bulletins of lodging and real estate, sent 9,238 mimeographed letters and wrote 18 news releases and 1 newsletter.

## SCHOOL WARRANT

### The State of New Hampshire

To the Inhabitants of the Town of Bath qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall at Bath, New Hampshire on the 3rd day of March, 1976, polls to be open for the election of District Officers at 3:00 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 8:00 o'clock in the afternoon.

Article 1. To choose, by non-partisan ballot, a Moderator for the ensuing year.

Article 2. To choose, by non-partisan ballot, a School District Clerk for the ensuing year.

Article 3. To choose, by non-partisan ballot, a Treasurer for the ensuing year.

Article 4. To choose, by non-partisan ballot, an Auditor for the ensuing year.

Article 5. To choose, by non-partisan ballot, one School Board Member for a term of three years.

Article 6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.

Article 7. To hear any reports of the School Board, Agents, Auditor, Committees, or Officers chosen, and pass any vote relating thereto.

Article 8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 9. To see if the voters of the Bath School District will vote to raise and appropriate the sum of \$3,100.00 for the tuitioning of eligible kindergarten students to surrounding schools, with parents or guardians of said children providing the transportation.

Article 10. To transact any other business that may legally come before said meeting.

Given under our hands at said Bath this 6th day of February, 1976.

## REPORT OF THE BATH KINDERGARTEN STUDY COMMITTEE

In August of 1975, a kindergarten study committee, under the supervision and guidance of the school board, was formed. Dr. Cynthia Mowles of the New Hampshire Department of Education attended the September meeting. The benefits of a kindergarten program were realized.

At subsequent meetings the committee discussed various plans. The idea of having a kindergarten situated in Bath Village was rejected for two reasons: 1) It was felt that there is no acceptable housing available at the present time. There is no extra room in the school itself, the church and library have no bathroom facilities, and the church, library, and town hall have no playground area. 2) It was felt that the cost of starting a kindergarten program at this time was too expensive. For a teacher and supplies alone it would cost approximately \$5,500.00.

Transportation provided by the town was discussed and rejected because of the cost and conflicting time element of bus routes. An approximate cost figure of \$5,000.00 for transportation to and from school was given by Herbert Chamberlain, Jr. At the present time, existing transporters do not want to undertake the job, therefore, it would have to be put up for bids. Also, if riding on existing bus routes, some children could get on the bus as early as 7:15 a.m. or arrive home as late as 4:15 p.m., depending on whether they attended morning or afternoon sessions.

Committee members surveyed parents of prospective kindergarten children for the next three years. Of those who would like their children to attend a kindergarten program, all said they would be happy to try and make arrangements for the transportation of their children. Present pupil transporters have agreed, subject to available space, to supply transportation one way on existing bus routes at no extra expense to the town or parents.

In 1976, tuition costs to Woodsville and Lisbon are \$375.00\* and \$500.00\* respectively. There is an estimated seven pupils. The kindergarten program in Woodsville consists of 2 hours each day and in Lisbon it consists of 3 hours each day. An approximate figure for tuition costs was arrived at by averaging the two total amounts that would be paid to each school district for seven children. In 1976, this would amount to \$3,100.00.

The Haverhill Cooperative School Board has reaffirmed its commitment to accept students from the Bath School District on a tuition basis. The Lisbon Regional School Board has also agreed to accept tuition students from Bath.

Therefore, the study committee agreed the most feasible plan would be for the town to pay tuition costs and the parents to make arrangements for transportation.

\* Approximate figures furnished by the office of Superintendent of Schools.

THE KINDERGARTEN STUDY COMMITTEE  
THE BATH SCHOOL BOARD

## AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Bath of which the above is a true summary for the fiscal year ending June 30, 1975, and find them correct in all respects.

August 26, 1975	GEORGE C. MINOT
	Auditor

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Bath School District:

I submit, herewith, my eleventh annual report as Superintendent of Schools.

### 1974 - 1975

Number of pupils registered during the year	53
Average Daily Membership	50.2
Percent of Attendance	94.2
Number of Pupils neither absent or tardy	0
Number of children 6-14 not attending any school	0
Pupils whose tuition was paid by district:	
Elementary	5
Secondary	63
Pupils transported at district expense:	
Elementary	34
Secondary	61

### Enrollment by Grades—Bath Village School

Grade	1	2	3	4	5	6
Number of Pupils	8	9	9	11	10	11

In my report of last year, there was a short discussion of the pending Public Employees Labor Relations Bill before the New Hampshire State Legislature. After much politicking the bill has become law and is now in the statutes under RSA 273.

It is now mandatory for all public employers with a bargaining unit of ten or more to negotiate in good faith with the employees' unit. This law does not pertain to our district as yet, but it seems that the section of the law outlining a minimum of ten will be tested in the courts in due time.

The Bath School District voted, at its annual meeting of March 5, 1975, to raise a total of \$155,418.43 (\$151,418.43 as the budget presented by the board and \$4,000.00 for the employment of a reading teacher). In

our reports to the State Department of Revenue we inadvertently reported the amount of \$151,418.43. The mistake was discovered after the tax rate was established and we were informed that the school district would have to live within this amount and, if more funds were needed, present a deficit appropriation to the voters this spring. After reporting this discrepancy to the school board and after an analysis of the loss of tuition students, it appears we will not need additional funds.

The 1976-77 budget shows a **decrease** of \$5,823.66. Our drop in the budget is mainly due to the loss of tuition students. Next year the account for out-of-district tuition will be:

Laconia State School:

1 @ 1,000.00	\$ 1,000.00
--------------	-------------

Lisbon Regional:

2 Jr. High @ 1,200.00	2,400.00
-----------------------	----------

2 Sr. High @ 1,300.00	2,600.00
-----------------------	----------

Haverhill Cooperative:

2 Elementary @ 750.58	1,501.16
-----------------------	----------

19 Jr. High @ 928.05	17,632.95
----------------------	-----------

31 Sr. High @ 1,186.83	36,792.35
------------------------	-----------

---

\$ 61,926.46

It may be of some interest to the taxpayers in the district to know about the insurances being carried on our school buildngs and contents. We now have the school building insured at \$80,000.00 and the contents at \$7,500.00. These figures are updated on the anniversary date of our policy and the maximum allowed by the insurance company is being carried.

May I take this opportunity to thank the school board, faculty and voters of Bath for their support during the past year.

Respectfully submitted,  
 NORMAN H. MULLEN  
 Superintendent of Schools

## REPORT OF ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my sixth annual report to the voters of the Bath School District.

Our school year began officially on August 26th with an orientation for new teachers held at the Woodsville High School Library. The new teachers were introduced to some of the people with whom they would be working and also given an overview of the policies and regulations of the school district. The activity was topped off with a cookout at the Ammonoosuc Fish and Game Club. August 27th marked our sixth annual Supervisory Union Workshop. The workshop opened with a two-hour general session which included a word of welcome and an introduction of new staff members by Superintendent Norman H. Mullen. White Mountain Community Services and North Country Education Services provided information on their plans for the 1975-1976 school year. The balance of the day was spent in a number of interesting special sessions.

Our Principals attended a three hour session on contract negotiations. This meeting included:

- (1) An overview of R.S.A. 273, the New Hampshire negotiations law.

- (2) Understanding the major steps in the bargaining process.

- (3) An analysis of the recently concluded contract in the Lincoln-Woodstock School District.

- (4) An overview of the Principals role in the implementation of negotiated contracts.

Other sessions were conducted by members of our own staff (Mrs. Mary McKelvey and Mrs. Lois Henson) on the subject of Classroom Discipline and better communication between teacher, pupil and parents.

Mr. David Stickney of N.C.E.S. conducted a session on the legal aspects of Special Education. Reading Problems at the Secondary Level was the subject of Mr. Phillip Yetten, Reading Coordinator for the Laconia Public Schools. The best attended session of the day was conducted by Mr. Tim Timmerman, Educational Consultant from Mandala Association on the subject: Teacher Effectiveness Training. On the whole we feel that the workshop provided a stimulating beginning for the school year.

This year we have been experimenting with a supportive services team. This team is comprised of a School Social Worker, a Speech Therapist and two Aides. The team is available to the Monroe, Bath, Haverhill Cooperative, Piermont and Warren School Districts. This program is supported entirely with Federal Funds.

Our Staff Development Plan is now in full operation (July 1, 1975). You may recall from previous reports that this plan allows teachers to gain certification credit for a wide range of professional activities. Thus far our Staff Development Committee has approved 217¼ hours of study and in-service training on the part of Bath teachers. This initiative on the part of our staff members to improve themselves professionally is highly commendable.

Last year the Principals of the Supervisory Union collaborated with the Central Office in the drafting of a new teacher evaluation form. We feel that the new form has several advantages over the ones previously used. First of all the new form gives better definition to the elements that are essential to the teaching-learning process. Secondly the evaluator is required to be specific about good and bad points in the evaluation and to recommend ways to improve. Thirdly, part of the form is reserved for the teacher to react in writing to the evaluation and to add his or her recommendations to those of the evaluator. The new form went into effect this year (1975-76). I'm sure it will take some time for both teachers and evaluators to get used to the new system but with cooperation we feel that it will serve to improve instruction. Many thanks to Mr. Robert Savoy and the Bath teachers for their help in this project.

I would like to mention that three of our teachers: Mrs. Alice Scott, Mrs. Marjorie Odell, and Mrs. Barbara Clough have been active in a program of reading improvement. These three teachers have attended a number of workshops designed to provide teachers with some new ways to up grade reading instruction. These methods have been used this year on an experimental basis. The staff plans to compare this year's reading scores with last year's scores in order to determine the effectiveness of the new approach.

My thanks to Mrs. Tewksbury and Mrs. Clough not only for the fine meals that they prepare but also for the burdensome paper work that they must complete.

Many thanks to the Bath School Board, Mr. Savoy and his staff, and the people of Bath for their support.

Respectfully submitted,

HAROLD J. HASKINS

Assistant Superintendent of Schools

**SUPERVISORY UNION #23  
REPORT OF SUPERINTENDENT'S AND  
ASSISTANT SUPERINTENDENT'S SALARY**

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during the 1975-1976 school year, will receive a salary of \$22,300.00 made up as follows: \$2,500.00 to be paid by the State Department of Education and \$19,800.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$16,450.00 which is made up as follows: \$2,500.00 to be paid by the State Department of Education and \$13,950.00 prorated among the several school districts. Allowance for travel within the union for the Superintendent is \$1,500.00 and for the Assistant Superintendent, \$1,000.00 also prorated as stated above.

The table below shows the proration of salaries and travel to each school district:

	<b>Superintendent's Salary</b>	<b>Travel</b>
Bath	\$ 1,019.70	\$ 77.25
Benton	168.30	12.75
Haverhill Cooperative	8,298.18	628.65
Lincoln-Woodstock Cooperative	6,710.22	508.35
Monroe	1,459.26	110.55
Piermont	1,265.22	95.85
Warren	879.12	66.60
	<hr/> \$19,800.00	<hr/> \$ 1,500.00

	<b>Assistant Superintendent's Salary</b>	<b>Travel</b>
Bath	\$ 718.42	\$ 51.50
Benton	118.58	8.50
Haverhill Cooperative	5,846.44	419.10
Lincoln-Woodstock Cooperative	4,727.65	338.90
Monroe	1,028.12	73.70
Piermont	891.41	63.90
Warren	619.38	44.40
	<hr/> \$13,950.00	<hr/> \$ 1,000.00

NORMAN H. MULLEN  
Superintendent of Schools

## REPORT OF SCHOOL NURSE

### BATH 1974-1975

Number of Pupils Examined		55
Number of School Visits		21
Number of Home Visits		26
	<b>Defects</b>	<b>Corrections</b>
Vision Tests—55	3	2
Hearing Tests—55	1	1
Communicable Diseases Reported:		
Chicken Pox	9	

All routine vision and hearing screening tests were completed. Notices were sent to parents when defects were found.

The Dental Program sponsored by the State Division of Dental Public Health was started in December. Mrs. Stark, dental hygienist, reported much improvement in brushing results at end of program.

In the spring registration was held at the school for pupils entering first grade in September.

Several meetings were attended during the year.

I want to thank Mr. Savoy, the teachers, pupils, and parents for their continued cooperation and interest in our school health program.

Respectfully submitted,

MURIEL LaMOTT, RN  
School Nurse
